Description of Work: _____

TDLR EAB# for commercial projects _____
An asbestos survey has been conducted in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) prior to a renovation/demolition permit for a commercial and/or public building being issued by the City of Alice. Yes No **KNOX BOX Yes**

- NOTICE:**
- *Separate permits are required for electrical, plumbing, and air conditioning.
 - *Permit Owner will be responsible for disposing of construction debris to an acceptable disposal site.
 - *A building permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at any time after work is commenced.
 - *Applicant is the owner and/or has the owner's consent to do the requested work

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other state or local ordinances regulating construction or the performance of construction.
